

See films of actual Army maneuvers!

The California State Guard's training program is interesting—and fun. Army training films (in sound) show actual combat and military tactics. Field Days are scheduled for combat maneuvers and the firing of modern weapons.

The State Guard's job is to provide military protection of life and property while the National Guard is overseas. No unit can be called outside its own county. Your community needs you in case of local emergency. Learn and serve—only two hours, one night a week. Get full details by calling or writing to address below for free, illustrated booklet.

Local Man Gets Honor at LAPE Award Ceremony

Three civilian employees of the Los Angeles Port of Embarkation, an Army Transportation Corps installation here, received checks this week for suggestion awards under the War Department program.

Colonel J. K. Herbert, Port Commander, made the presentations at a ceremony in the patio of the Port Cafeteria.

Leslie R. Jones, 1730 Arlington, Torrance, a blacksmith in the Marine Maintenance and Repair Shop, received a \$5 check for his suggestion to move signs, "Use Your Goggles," from the wall to locations above the emery wheels in the shop.

Miss Ann Brockert, of 2106 Rockefeller Lane, Redondo Beach, an interviewer in the Employee Relations Sections of the Civilian Personnel Branch, received \$25 for her suggestion of organizing out-of-state groups as a morale builder for Port employees. This suggestion has been put into effect and state days are observed with luncheons at reunions in the Port Cafeteria.

Patrick Ballengee, 2295 Baltic ave., Long Beach, a clerk in the Quartermaster Office, won \$10 for an idea for a revision in a form which will save an estimated 100 hours per month.

Cast Sees Play Presented At Van Nuys High

The cast of "Seven Sisters," the senior play to be presented in the Torrance High school auditorium tomorrow night, journeyed last Friday, to Van Nuys, to witness "Seven Sisters" being produced by the drama department of that school. In addition to meeting the cast and inviting them to see Torrance's performance, all present received hints on matters of production.
